

AMENITIES

ENGINEERED TO MOVE. BUILT TO STAY.

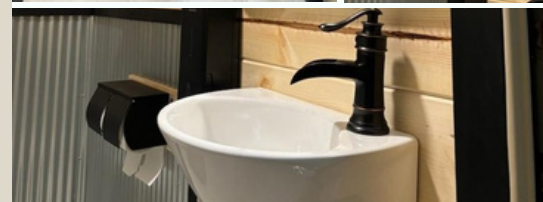

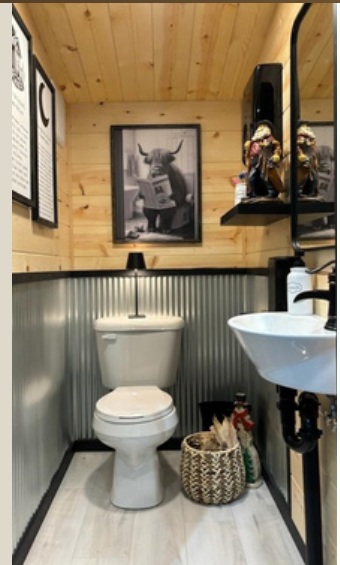

Durable Comfort Meets Modern Convenience — PlainsCraft handcrafted amenities are standalone shower house and outhouse units built for the outdoors, with the option to connect multiple units using a trim package as your needs grow.

RUSTIC APPEAL. MODERN COMFORT.

Vintage on the outside — clean, cozy, and fully functional on the inside.

- Increase nightly rates with upgraded amenities
- Avoid long build times and complications
- Boost your property value instantly
- Easily moved—wheel mounted option
